### EMPLOYMENT OPPORTUNITY

LONG LAKE #58 FIRST NATION COMMUNITY IS LOCATED ALONG THE NORTH SHORE OF LONG LAKE ALONG HIGHWAY 11 AND APPROXIMATELY 300 KILOMETRES NORTHEAST OF THUNDER BAY, ON. LONG LAKE#58 FN IS A MEMBER OF THE ANISHINABEK NATION AND THE MATAWA FIRST NATION MANAGEMENT GROUP. IT HAS A LARGE MEMBERSHIP WITH THE MAJORITY RESIDING IN THE COMMUNITY AND THUNDER BAY, ON.

### CONSTRUCTION WORKER/LABORER

We're seeking a dedicated and dependable construction worker to work on our First Nation homes, buildings, and other related construction projects. You'll work on various construction projects while adhering to construction plans and directions from the site supervisor. Prior experience in working on relevant projects and using equipment is needed. Additionally, you need to demonstrate physical strength and endurance.

To be successful in this role, you must be able to perform strenuous physical tasks.

#### Duties and Responsibilities

- ✓ Follow all health and safety regulations.
- ✓ Removing debris, garbage, and dangerous materials from the site
- ✓ Maintain tools and equipment regularly.
- ✓ Perform other duties as assigned by the manager.
- ✓ Assist tradesmen and machine operators in construction projects.
- ✓ Erect and break up scaffolding, ramps etc. with attention to safety.
- ✓ Use equipment to break old forms and structures.
- ✓ Prepare and apply construction materials to build structures or fill gaps (e.g. cement)
- ✓ assisting with on-site work
- ✓ resolving customer issues
- ✓ coordinating with other team members
- ✓ preparing construction sites
- ✓ loading and unloading material

In general, expect to perform physically demanding tasks that require you to be able to lift heavy objects. You should also keep in mind that construction workers work in varied weather conditions.

#### Skills and Requirements

- ✓ Experience operating equipment like trench rammers, drills, pneumatic hammers etc.
- ✓ Knowledge of mixing and pouring construction material (concrete, sand, grout etc.)
- ✓ Knowledge of basic engineering and construction principles and methods
- ✓ Able to work in a team.
- ✓ Able to read instructions and blueprints when needed.
- ✓ Excellent balance and eye-hand coordination
